THE SEARCH COMMITTEE

The Search & Serve Committee has been working diligently over the last several months to review applications of potential pastoral

candidates; to present a recommendation to the Deacons; to in turn present a recommendation of pastor to the congregation who will ultimately vote to accept or deny such recommendation.

The Committee meets weekly, Tuesdays, 7-9 pm in the Fellowship Hall. Anyone is invited to address the Committee at the beginning of each meeting to inquire or comment on the process. Please remember this is a deliberate and prayerful process and will take some time to work through all of the numerous considerations. The Committee welcomes Allen Thompson as our interim Pastor from July to October and possibly longer, if the need arises. The Committee pledges its support to work with him and the Deacons over the coming months to enable a smooth transition in preparation for a new pastor. The Committee believes it is important to gauge the pulse of Bellwood following blessed experiences with some very gifted speakers over the past few months and will again request your help in completing a survey during the latter half of July. The Committee appreciates your trust and covets your prayers and patience as we move forward during this transition to find the man that God has chosen for Bellwood. Remember, the Committee only makes recommendations; the ultimate decision rests with the entire congregation of Bellwood.

Love in Christ,
Search Committee Spokesperson
Jeannie Beales

DEACONS' BENCH

We have seen a lot of changes at Bellwood in the last few months, but one thing always holds true...God blesses obedience! As we continue to make changes and go through transitions let us not forget our focus, God almighty and His Son our Savior Jesus Christ.

God Bless,
Tony Young

TEEN JAM NEWS

Can we just say AMEN!

The Teen Fund/Little Church Restoration Fund just continues to amaze me. God has touched that ministry in a huge way! Since February 2006 we have raised \$42,926.80. Stage three is in progress, if you haven't seen the Little Church lately, check it out. We are in the process of getting estimates to tear down the ceiling underneath the sanctuary. We are also checking into upgrading our electrical panels. A big thank you to all of you who continue to support this project. God is good!

In His Service,
Greg
