### DEACONS' BENCH

We have seen a lot of changes at Bellwood in the last few months, but one thing always holds true...God blesses obedience! As we continue to make changes and go through transitions let us not forget our focus, God almighty and His Son our Savior Jesus Christ.

### THE SEARCH & SERVE COMMITTEE

The Search & Serve Committee continues to work diligently to narrow the list of applications of potential pastoral candidates; to present a recommendation to the Deacons; to in turn present a recommendation of pastor to the congregation who will ultimately vote to accept or deny such recommendation. The Committee meets weekly, Tuesdays, 7-9 pm in the Fellowship Hall. Anyone is invited to address the Committee at the beginning of each meeting to inquire or comment on the process. Please remember this is a deliberate and prayerful process and will take some time to work through all the numerous considerations. The Committee received a total of 113 resumes or applications and has narrowed that to 13 potential candidates. The Committee continues the process to further narrow that list to 2 or 3 candidates. The Committee appreciates your trust and covets your prayers and patience as we move forward during this transition to find the man that God has chosen for Bellwood. Remember, the Committee only makes recommendations; the ultimate decision rests with the entire congregation of Bellwood.

Love in Christ,  
Search & Serve Committee Spokesperson
