THE SEARCH COMMITTEE

The Search & Serve Committee has been working diligently over the last several months to review applications of potential pastoral candidates; to present a recommendation to the Deacons; to in turn present a recommendation of pastor to the congregation who will ultimately vote to accept or deny such recommendation.

The Committee meets weekly, Tuesdays, 7-9 pm in the Fellowship Hall. Anyone is invited to address the Committee at the beginning of each meeting to inquire or comment on the process. Please remember this is a deliberate and prayerful process and will take some time to work through all of the numerous considerations.

The Committee received a total of 113 resumes or applications and has narrowed that to 24 candidates. Now the process begins to narrow that 24 to 5 or 8 final candidates to investigate further. The Committee appreciates your trust and covets your prayers and patience as we move forward during this transition to find the man that God has chosen for Bellwood. Remember, the Committee only makes recommendations; the ultimate decision rests with the entire congregation of Bellwood.
